

Introduction to Cybersecurity Workshop

Rico Computers Enterprises Inc. is conducting professional development (PD) workshops for high school teachers in the Chicagoland area.

Date: April 20, 2018

**Location: Moraine Valley Community College
Building T**

9000 W. College Pkwy

Palos Hill, IL 60465

Room: T101

Time: 8 a.m.-2 p.m.

The goal of these sessions is to help teachers become familiar with Cybersecurity and introduce these concepts in their classrooms and/or after school clubs, thereby increasing students' interest in Cybersecurity.
